COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 28 dia x 20H

Inspired by the shapely ginkgo leaf, this occasional table mixes materials and finishes for a style that's both casual and glamorous. Its gracefully undulating apron rail draws the eye and lends fluid simplicity. A single glass shelf adds space for display, without distracting from a white stone top and lustrous Champagne Pearl base. Style on its own, or bunch with Down and Under to create a captivating cocktail table.
