COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 58W x 24.25D x 18H

The working concept for the collection was to reflect on the 3 of the elements in nature. Earth, wind and water. The lazy winding of a river inspired the gentle "S" shape in this table and the Lucent Oasis finish that accents the table. As she created designs for this group, she kept looking back on shapes in nature created by the elements and the winding flow of a river inspired this cocktail table.
