EXPOSITION END TABLE

m121-420-413

COLLECTION: MODERN EXPRESSIONS

DIMENSIONS: 23W x 23D x 22H

Understated and finely tuned, every detail of this end table was painstakingly considered to create its balanced perfection. The simple form is finished in Ash Taupe and poised upon a plinth base. Mink Gray highlights its interior while a smoked blue glass shelf provides function and an additional layer of luxe. LED lights illuminate its overall cache and can be switched on from either side. Place one on each side of a sofa or sectional for a functional design solution that enhances a room in just the right way.
