Combining the comfort of a refined boutique hotel and the authentic charm of a modern Paris apartment, the fully upholstered Boutique Bed is a dream dressed in a crisp white grasscloth textured vinyl! The slats and slat supports can be removed to accommodate most adjustable bedding systems. The Boutique platform bed offers a fresh and modern statement in luxury living, a worthy anchor for a boutique hotel inspired bedroom for the globe's chicest destination cities – think Miami, Madrid, or St. Barts. Bring this exceptional style to your own personal urban loft and capture the luxury at home!
