With a nod to Greek and Roman antiquity, this chaise introduces lounge-like comfort and a classic undertone. Its daybed form recalls pieces used throughout history to lounge comfortably yet respectfully in the presence of guests. Dressed in a light-toned linen with matching bolster pillows, warmly contrasted by an arcing frame in Toasted Sycamore and plinth legs in a rich Charred Bark finish. Style in a seating area designed for conversations or use it to separate two designated spaces in a room.
